

TiVo CHANNEL SCAN

Deleting current channels before doing a new channel scan:

1. TiVo Central
2. Settings & Messages
3. Settings
4. Select (button on remote)
5. Channels
6. Select (button on remote)
7. Channel Scan
8. Select (button on remote)
9. Arrow to highlight – “DELETE PREVIOUSLY SCANNED CHANNELS”
10. Select (button on remote)
11. Push three thumbs down
12. Enter (bottom on remote) – doesn’t tell you channels were deleted

Starting a new channel scan:

1. On the screen you will see “Channel Scan” (make sure it is highlighted)
2. Select (button on remote)
3. Arrow to highlight – “START SCAN FOR CHANNELS”
4. Select (button on remote)
5. Three thumbs down
6. Enter (bottom on remote)
7. When done press Select (button on remote)
8. Highlight – “SAVE SCANNED CHANNELS”
